

# Norwegian Biometrics Laboratory Annual Workshop - 2018

## Agenda

The agenda for NBLAW 2018 is as follows (subject to further updates).

We cordially invite you to participate in the 8<sup>th</sup> Norwegian Biometrics Laboratory Workshop 2018 which is an open and free-to-attend event organized by Norwegian Biometrics Laboratory at NTNU - Gjøvik. This event is for all who are interested in technologies, policies, and applications related to protecting the biometric data. The event in 2018 focuses on the topic “*Privacy and Biometrics*”.

**Date:** 1<sup>st</sup> March, 2018  
**Venue:** Room K102, Teknologivegen 22, NTNU i Gjøvik, Norway  
**Participation:** Open and free; registration needed.  
**Theme:** *Privacy and Biometrics*  
**Contact:** Guoqiang Li ([guoqiang.li@ntnu.no](mailto:guoqiang.li@ntnu.no))

Time	Program	Speaker
09:30 – 09:35	Welcome	Nils Kalstad Svendsen Head of IIK, NTNU-Gjøvik
09:35 – 09:45	Introduction, overview, and vision of the Norwegian Biometrics Laboratory	Christoph Busch, NBL leader (NTNU, Norway)
09:45 – 09:50	The theme of workshop and topics	Guoqiang Li (NTNU, Norway)
09:50 – 10:35	GDPR: an Opportunity for Biometrics	Laurent Beslay (JRC, European Commission)
10:35 -11:05	Title to be added	Atle Årnes (Datatilsynet, Norway)
11:05 -11:25	Coffee break	
11:25 -11:55	The Impacts of the GDPR on Biometric Systems	Catherine Jasserand (University of Groningen, Netherlands)
11:55 -12:25	Preparation towards GDPR	Svein Dybvik (Sopra Steria, Norway)
12.25 – 13.25	Lunch break	
13:25 -13:55	De-identification for Privacy Protection in Biometrics	Slobodan Ribaric (University of Zagreb, Croatia)
13:55 -14:25	Fast and Accurate Likelihood Ratio Based Biometric Comparison in the Encrypted Domain	Raymond Veldhuis (University of Twente, Netherlands)
14:25 -14:55	Panel Discussion	
14:55-15:00	Closing of workshop	Guoqiang Li (NTNU, Norway)
